# HOW TO POST ON THE COMMUNITY FEED
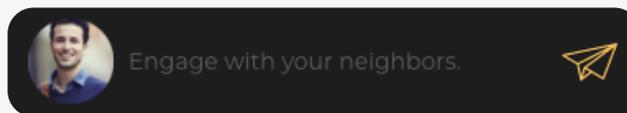

The Community Feed serves as a bulletin board where residents can share information and interact with each other.

1 **Log into your ONR account**

Enter your **username and password.**

2

Engage with your neighbors.

After logging in, you will land on the **Community Feed by default.** Look for the option **'Engage with your neighbors'** under your association's name at the top. There will be a **paper airplane logo** to the right. Tap anywhere in this field to begin your community feed post.

Congratulations!
You have successfully posted on the community feed.

If you post on the community feed and someone likes or comments on your post, **you will receive a push notification,** but this feature requires downloading and logging into the **ONR App on your cell phone.**
