ONR

SWITCHING BETWEEN HOMEOWNER ASSOCIATIONS

Welcome to our guide on effortlessly switching between associations using either a web browser (laptop or computer) or the ONR App.
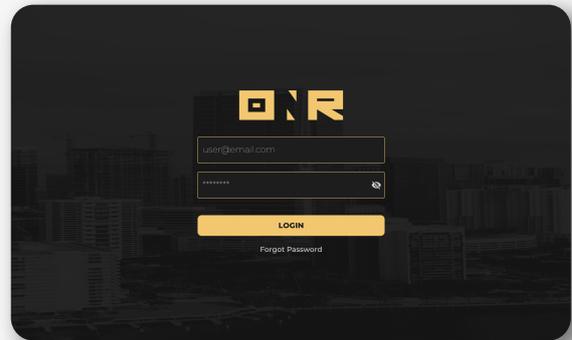

This guide is specifically designed for users registered to multiple associations under the same email address. If you don't see multiple associations in your account while following this guide, please reach out to ONR Support for assistance.

SWITCHING ASSOCIATIONS ON A WEB BROWSER:

Login **1**

Begin by logging into your ONR account using your credentials.
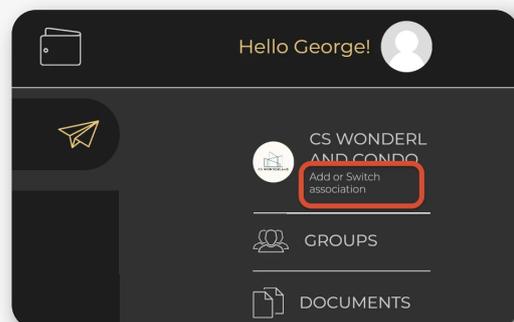

2 **Multi-Association Menu**

Upon logging in, you'll notice all the associations you belong to displayed as squared tiles.

Select Association

Click on the tile representing the association you want to access.

Switch Association **3**

To return to the multi-association menu, locate the "**Add or switch association**" button at the top right corner, **just below your name and the association's name**
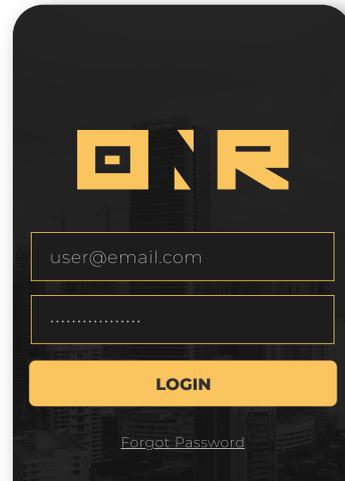

4 Select Association

Now, click on the **tile of the next association** you wish to enter.

SWITCHING ASSOCIATIONS USING THE ONR APP

1 Login

Open the ONR App on your cell phone and **log in with your credentials.**

Forgot Password

2 Multi-Association Menu

After logging in, you'll see all your **associated communities displayed** as squared tiles.

Select Association

Tap on the **tile representing the association** you want to access.
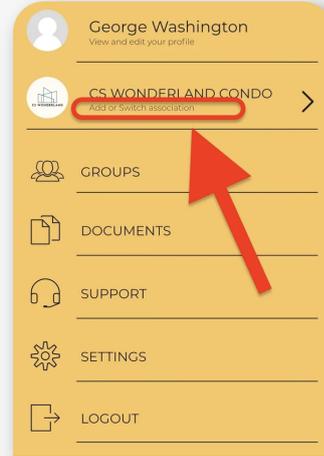

3 Switch Association

To switch to another association, **tap the three horizontal lines icon** located at the bottom right of your screen.

Switch via Menu

On the following screen, you'll find your name and the current association's name. Below it, tap **"Add or Switch association."**
