

HOW TO CONSENT TO ONLINE VOTING IN YOUR ONR ACCOUNT

This user guide offers step-by-step instructions on how to consent to online voting within your ONR account for your association

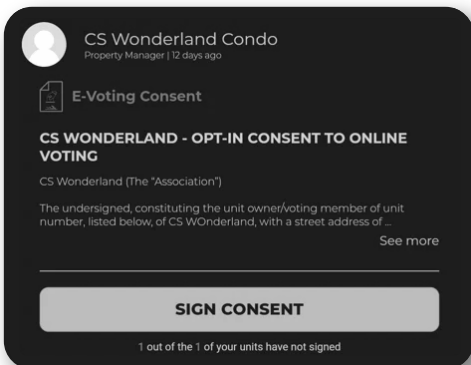

Please note that **we'll use a fictitious association named CS Wonderland to demonstrate the process**, replicating how you navigate your association account, locate your opt-in form, and digitally complete and sign it. Once completed, the **form will be sent to management for review and approval**. Let's begin!

1 Log into your ONR account

Enter your **username and password**.

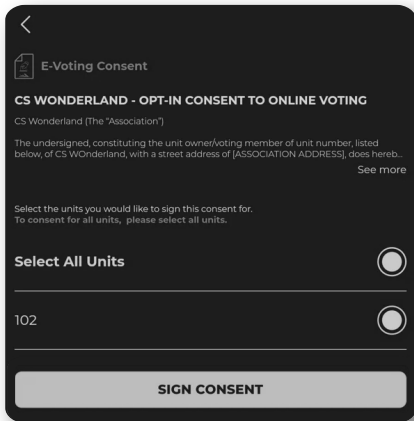

2 Locate the digital opt-in form: The opt-in consent form should be visible on the Community Feed as you log in.

If you don't see it on the Community Feed, click the **"hand inserting a paper ballot"** then select **"CONSENTS & APPROVALS."**

Select the blue **"SIGN CONSENT"** button on the Unit Consent form.

Your unit(s) will be displayed; select the relevant unit(s).

Click **"SIGN CONSENT"** to proceed to the next screen.

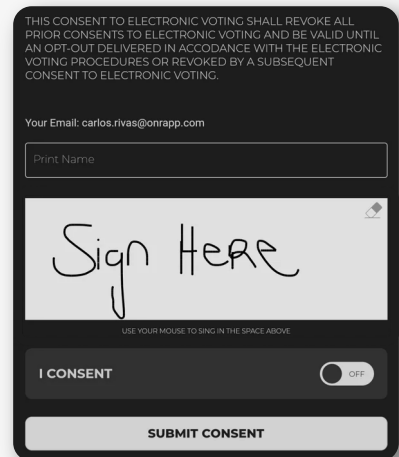

In the **"Print Name"** field box, click or tap to activate your cursor and type your name.

For your signature, draw it inside the white **rectangular signature field** to position it where you want your signature to start.

Finish toggle the **"I CONSENT"** button from **"OFF"** to **"ON."**

Click or tap **"SUBMIT CONSENT."**

Congratulations!

You've successfully submitted your Consent to Online Voting form for review. **Management will review and validate your form** - you will receive an email notification if you're denied.
